

*HOW TO CONNECT THE MyFINPROFIT FINANCIAL
ROBOTS TO YOUR ACCOUNT*

1. CHOOSE A BROKER

- We work with the following brokers:
- www.sensus-capital.com (Germany)
- www.fxopen.com (Australia)
- www.rvdmarkets.com (British Virgin Islands)
- www.swissquote.ch (Switzerland)
- We're currently at the testing stage with other brokers. Call us to find out more.

COPY AND PASTE THE WEB LINK FOR THE BROKER YOU HAVE
CHOSEN TO ENSURE THAT YOU OPEN AN ACCOUNT WITH THE
RIGHT FEATURES

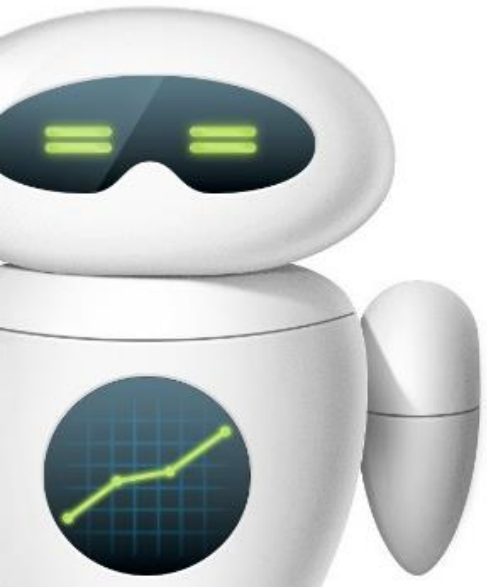

3. TRANSFER FUNDS TO YOUR BROKER ACCOUNT

- After filling all necessary documents for a broker account ask them about the cheapest way to transfer money.
- Avoid using a credit card to transfer funds as this may attract high bank charges.
- **Your broker account is just like a personal bank account, and only you will have access to it.**
- The robots will not be able to access anything apart from the
- currency conversion functions, which are *external* to your account,
- and only you will be able to transfer or withdraw funds.

4. INSTALL THE ROBOTS

1. After receiving funds to your broker account use the personal link in your **Myfinprofit** space which will allow you to connect your account to our personal finance robots.
2. If you still did not activate your **Myfinprofit** space please visit www.myfinprofit.com using this promo code **#general-001**

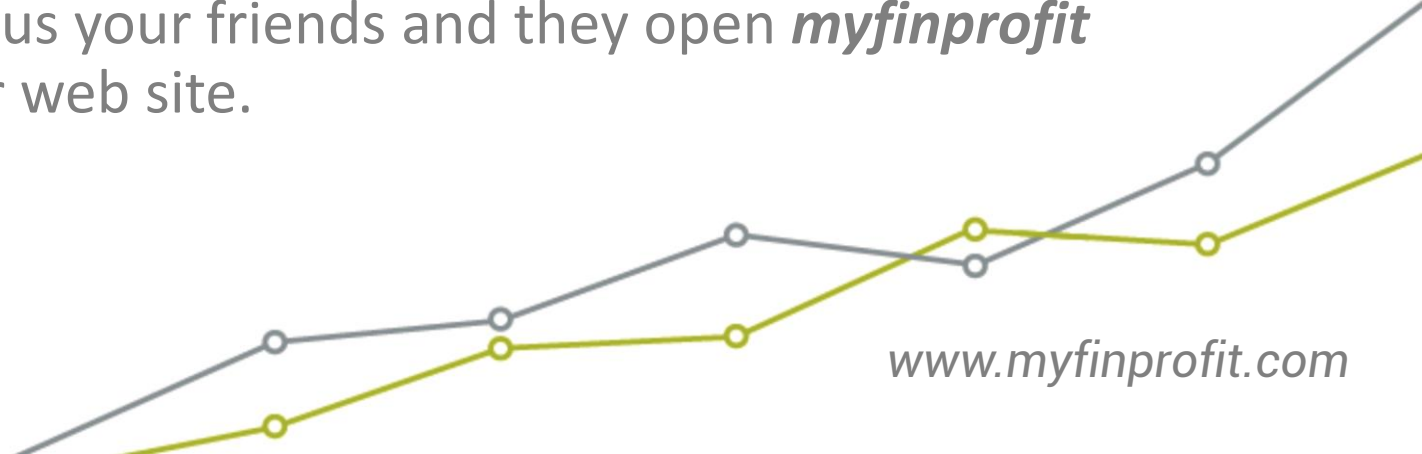

5. ROBOTS PERFORMANCE FEES

- Our performance fees are only 20% of the profits earned by our robots.
- This fees will be automatically withdraw from your broker account every month

ACTION In 2015!

We will return the performance fees if you will recommend us your friends and they open *myfinprofit* space on our web site.

6. RECEIVE DAILY REPORTS

- You'll receive a daily report telling you which transactions have been carried out by the robots.
- You can also monitor the account yourself on a 24/7 basis

EXAMPLE:
